The Examiners should then bring a copy of this completed report to the oral examination and discuss the contents with each other before examing the candidate. This discussion will entable Examiners to plan the structure of the oral examination and ensure that all relevant issues are addressed appropriatel. The preliminary reports should not be shown to the candidate or the candidate's supervisory team in advance of the oral examination Examiners should be aware that preliminary reports will be made available to candidates after the oral examination if they request them under the provisions of the Data Protection Act 1998.

1. Subject matter of the thesis. (Pleasecommentor o

3.	Candidates for the PhD degree must submit a thesis and be examined orally. Having read the thesis, are you aware of any reason(s) why the oral examination for this candidate should not go ahead (e.g. evidence of extensive plagiarism).			
	candidate should not go anead (e.g. evidence of extensive plagransm).	Yes	/	No
	If the answer to the above question is yes, please detail your concerns be will be brought to the attention of the Head of the Graduate School.	low wh	ich
